

POSTPONEMENT NOTICE: 20th MATHFINANCE CONFERENCE, **30-31 MARCH, LONDON**

In view of the uncertainty caused by the Coronavirus outbreak, MathFinance has decided to postpone its 20th annual MathFinance Finance conference to a later date in September to guarantee a safe and successful participation. The current situation in Europe is thankfully not as severe as the environment in South East Asia, however, we would like to follow the current advisory provided by various health organizations in this region to postpone any unnecessary travel at the moment.

In light of these events MathFinance will host the conference in September and announce the dates soon. We sincerely hope that our speakers who have already confirmed their attendance will join us later in September in London in order to make this event a resounding success.

We apologize for any inconvenience caused and we hope to see you in September 2020.
